

Make God Smile!

Is God too big and important for us to please Him and bring a smile to His face? *No!* There are many ways to delight God.

Here are some ideas...

- ❖ Hug God – Imagine yourself giving the Lord Jesus a great big hug as you awake and start your day. Our Lord appreciates a hug from heart!
- ❖ Make something just for God – How about an arrangement of dandelions in a chain, or a craft, or a piece of artwork that you dedicate to God.

- ❖ Do something for God – You might create a tidy spot in your room that you keep orderly and neat just to please Him. Or you can say "No" to something that's bad for you because God wants you to honour Him with your body.
- ❖ Tell God He's special to you. Thank Him for sending His Holy Spirit to be with you.

❖ Do your best, even in little chores like washing dishes.

❖ Tell the truth.

- ❖ Do something nice for someone else – Perhaps a little note that says "You're a kind person!" God loves it when we encourage and help others.

- ❖ Take care of God's creation – Don't pollute or toss garbage onto the street. Be gentle and careful with God's critters.

- ❖ Learn God's Word – Memorize a Bible verse each week and say it each day. Here's one to get you started: *"I will never leave you nor forsake you."* (John 14:27) This is a special promise that the Lord Jesus Christ made to all of us who put our faith in Him.

- ❖ Trust in God today and every day to help you – He will help you to do your best and to make wise choices.

Can you think of other ways?

God receives your gifts with a smile when you give them from your heart. He delights in you, and He created you to delight in Him. When we make God smile, we'll end up smiling too!
