

Be Creative

Is anyone more creative than God?

- ❖ God created more stars, moons, and planets than we'll ever see.
 - ❖ He made more foods than we'll ever taste.
 - ❖ He composed more bird songs than we'll ever hear.
 - ❖ God designed more aromas than we'll ever smell.
 - ❖ He made more kinds of critters than we'll ever touch.
- There is no one more creative than God!*

Yet, the Bible tells us that God created us in His image. That means we are creative too! Being creative is a way to honour God, to help others, and to have joy in your life. God loves to create... and He knows you will too!
