

# Chocolate Surprises

When people look at you, they may think...

*Hmmm, that looks like a nice person.*

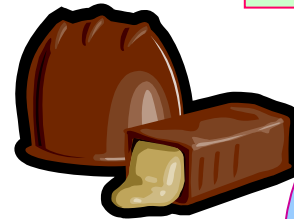

And you probably are!

But do they know what you're *really* like?

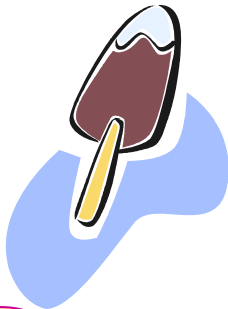

Maybe you're like a chocolate treat — you seem one way on the outside, but you're **full of surprises** on the inside.

You might appear...

Self-contained on the outside, but a real softie within.

Frosty on the outside, but sweet inside.

"Berry" serious on the outside, but a hilarious fruitcake at heart.

Hard to know at first glance, but delightful & caring inside.

Only **God** knows exactly what you're like on the inside.  
And He **loves** you inside and out !!

*"Your love, O LORD, reaches to the heavens, your faithfulness to the skies."  
— Psalm 36:5*
