

Does God really have time for... *me?*

God has so many things to look after. He keeps the stars and the planets in their places. He looks after the Earth, its creatures, the oceans, and every country. God is even the Boss of all the world's governments (whether they know it or not!).

God is so busy, He never sleeps.
He doesn't even take time to eat!

If God has so very much to do, how can He have time for me?
Can He really care about the little details of my life?

If God were like you & me, He wouldn't have the time to look after the big things and the little things. He wouldn't be able to keep track of every person on Earth.

But God isn't just like us. He's **Infinite**.

That means He has **no limits**. God knows **everything!** He is able to **do anything**. And He never – ever – runs out of **time**. That means He can focus on **you** as if you were the only one He ever has to help, and He can know every tiny detail about you. At the same time, He can focus on each **other person** as well.

In school, you will learn about numbers. If you start counting now, you'll never run out of **numbers** - they just get bigger & bigger. God made an **infinite** number system – maybe so we would know what it means to never run out.

God never runs out of love, time, talent, and power.
That's why He has time for one "little" human being...

YOU!

"Who can hide in secret places
so that I cannot see them?"
declares the LORD.
"Do not I fill heaven and earth?"
declares the LORD.
