

Mysteries of the Forest

Can you think of some products that come from forests?

Decorations

Mushrooms

How about maple syrup?

Hundreds of things come from forests. Foods, Medicines, Decorations, Wildflowers, and so much more. It would take many lifetimes to learn about them all.

The Bible tells us about a king named Solomon, to whom God gave great wisdom & understanding.

"He described plant life, from the cedar of Lebanon to the hyssop that grows out of walls. He also taught about animals and birds, reptiles and fish. Men of all nations came to listen to Solomon's wisdom...."
— 1 Kings 4: 33-34

Solomon applied himself to learning everything he could about God's creation.

Just like a detective, he solved many of the mysteries of the majestic woods.

Wouldn't it be great to be able to teach people from all over the world about all the plants and animals?

King Solomon must have had a wonderful time!
And the Lord must have enjoyed sharing so many mysteries with Solomon.

God is delighted to share His mysteries with you too. Go to Him with a heart ready to learn. Ask Him to teach you.

And you can be a little like Solomon!
