

Valentine

I have the best *Valentine* in the whole world!

My Valentine is someone who is always there for me,
a true friend who never betrays me,
and who loves me even when I make mistakes.

My Valentine has
showered me
with wonderful gifts...

He has given
me the **keys**
to **heaven**,
because I
believed
in Him.

He has given me
His Word
to be a lamp for my feet
and a light for my path.

He has sent
power from heaven
to help me.

He lets me
enjoy all
His creation.

He
says
in so
many
ways...

My Valentine deserves all my
love because He's so
wonderful.

He is the Lord Jesus Christ.

Is Jesus your Valentine too?

**"Love the Lord your God with all your heart
and with all your soul and with all your mind." – Matthew 22:37**
