

# What is God Like?

Do you have a very good friend? If you do, then you could probably say what that person is like – for example, she likes to play baseball, or he loves dogs, or she enjoys listening to music.

When you observe your friends, you get to know what they're like.

Well, we have the best possible friend in God. And we can know some things about what He's like by observing the things He has made.

God doesn't like to waste anything. Look at how he made chipmunks to gather up seeds that fall on the ground. We see those seeds as garbage because they've fallen off the tree, but the chipmunks know to carefully gather them up and use them for food. God created them to not be wasteful.

God likes beautiful colours. See His rainbow and how magnificent the colours are? They look

like someone lit them from behind – and someone did: the Lord who created them. God also put gorgeous colours into the flowers, and the birds, and the fish in the oceans. He's the most gifted artist of all time.

God likes to laugh. He must like laughing, because He made funny creatures like gorillas and chimpanzees with all their hilarious antics. And look at how He made us to enjoy fun times, and good jokes, and play. Yes, God must love wholesome fun.

God loves to create things. He created so many beautiful and mysterious critters, plants, bugs, precious stones, rivers & oceans, mountains... and the list goes on. He made you and me. God must really enjoy creating!

God likes to do His best – always! And He doesn't just do something so-so, or just good enough – He does better than fantastic, better than special – God always does OVER-THE-TOP great !! He takes the time to do it right.

These are just some of God's characteristics. The Bible tells us a lot more about God and what He is like.

**There's a very good reason to get to know Him  
– because He made us in His image.**

That means we have some of the same likes and dislikes as God. When we get to know Him, we learn about ourselves too and how we were created to be.

There's nothing more wonderful than getting to know  
**our Creator & Best Friend !**

"The Lord is righteous in all His ways, and loving  
toward all He has made."

– *Psalm 145: 17*
